Dear Parents and Carers,

This week the children have loved our Superhero theme. We find that using themes each week are an exciting hook to engage children in their learning. The superhero capes the children made have been especially popular this week. We loved seeing the children fly around the room in full superhero mode. Every day we change the activities to inspire the children to explore different areas of learning. We carefully plan the activities to cover a range of learning intentions. Setting up a den with light up boards, using chalk pens on foil and setting up a Superhero Head Quarters, encourages children to mark make and write – which is far more exciting than being given a piece of paper and a pencil! Using Hulk as inspiration, the children used their super strength to squeeze, smash, pinch, print and roll the green playdough – great fun for a pre-writing activity.

Parent Phone Calls

Everyone now has a day and time for their parent phone call. Please be ready at your phone for your allocated time as the staff have 10-minute slots through the day.

East Molesey Methodist Church Gift Service

Sunday 8th December at 10.30am

We thought it would be nice if the workshop would like to join the Church in collecting items for Baby Basics and The Extra Mile. There is a poster attached with some suggested items for the charities. If you would like to donate, but can't make the service, then we can collect them and add them under the Christmas tree ready for the service on Sunday 8th.
